ONE COPY—ONE CENT.

THE REASON.

A man from Texas spanked his wife
"Till she was black and blue.
The Justice fined him fifty cents—
Because he used a shoe.

"It's plainly wrong 't spank yer wife—
If law I understand—
With laths, or shoes, or et-cet-ree—
You've got to use yer hand!

"Therefore I fine yew fifty cents,
But I'll remit the fine
If yew will bring yer shoe along
And help me paddle mine!"

Rev. George H. Harris, Rector of the Church
of the Nativity, filed his monthly appointment
at Richmond, Ky., yesterday.

Alex McFarland, formerly of this city, and a
nephew of Mrs. J. M. Scott, also a former and
highly respected citizen, was struck by a rail-
road car in Chicago the other day and instantly
killed.

New School Building!

Owing to the fact of the School Board's
having bought the old Perkhous (our
warehouse) for the site for the new High
School Building, we are obliged to move
all our vehicles within the next 60 days;
and we have figured that it would be bet-
ter to sell them than to move, a storeroom
in Maysville is pretty scarce just now, and
besides it is very expensive to move four or
five carloads of crated vehicles.

Therefore!

We are beginning today the most phenom-
enal sale of vehicles ever held in Maysville,
and a word to the wise should be sufficient.
"If you are contemplating the purchase of
a rig of any kind, now is your oppor-
tunity."

hold of Colonel and Mrs. J. Barbour Russell, of

yesterday at their home. The happy father is
now dividing his time between his old place of
business and that of the new star of interest
at his home.

GROWING LARGER

Tobacco Warehouse Company In- creases Its Capital Stock

The Officers and Directors of the Mason
County Tobacco Warehouse Company held an
important and interesting meeting in this city
Saturday. Among other business transacted
was the increasing of the capital stock from
\$10,000 to \$50,000.

It is the purpose of the Company to give the
growers of tobacco the first option in taking
up the new stock before offering it to the
public. The investment is a good one and will
be snapped up by wise investors before it is
many days on the market.

It was decided that Hon. J. N. Kohoe should
canvass the county and enlighten the farmer
in regard to the merits of the organization and
the grand results that are to be attained by a
united and earnest support of those most in-
terested, the grower of the weed. Mr. Kohoe
expects to visit every Precinct during the next
thirty days, and be generally says something
when he talks.

The amount of tobacco now in the Company's
Warehouses is something over a 1,000,000
pounds.

Warner's CORSETS Batiste...

A BATISTE CORSET adopted as an "all-
year-round" model by the woman appreciating a
light, dainty corset, with the lines and curves best
fitted to enhance the grace of her form. The Ba-
tiste is of a soft, fine quality, yet so strong that as a
test case we know that it has been worn thirteen
months, laundered when requisite. That's the ad-
ded beauty of a Warner's Rust-Proof Corset—it can
be tubbed like a piece of lingerie. A lot of satis-
faction is derived from the "Security" Rubber But-
ton Hose Supporters, which, by their tautness, hold
the corset down, assisting the straight clasp line.

For President in 1908,
 WILLIAM H. TAFT, OF OHIO.

For Vice-President,
 CHARLES E. HUGHES, OF NEW YORK.

For Governor of Kentucky,
 AUGUSTUS E. WILLSON OF LOUISVILLE.

The Kentucky Confederate Veterans' Association, at a meeting in Lexington Thursday, voted to continue in existence.

"He who plants a tree, plants a hope." Therefore, on the Esplanade we have "three hopes" a coming to us. We want to "rest under the shade of the trees" in the hot summer to come.

If anything goes wrong, now is the time to charge it up to ABE RUEF, Mayor SMITZ, EDDY HARRIMAN, Senator FORAKER or Mrs. MARY BAKER EDDY. One or the other of the above mentioned bunch, have, it is said, "done" a lot of things, including the public.

A VIRGINIA gentleman, a member of the State Legislature says he is going to have the "unwritten law" incorporated in the statute books of the Old Dominion. Don't know what brand of liquor this distinguished law-maker uses as a beverage that makes him see things as through a glass darkly. When the "unwritten law" is written, it will at once become a dead letter and indiscriminate killing and shooting would result. Some things must not be writ in the statute books.

EX-SENATOR J. C. S. BLACKBURN is to be the main squeeze at Panama and is to be Governor of the canal zone. Our Joe is sure goin' some since he's joined de 'Publican party.

BISHOP JAMES N. FITZGERALD, of St. Louis, of the M. E. Church, died at Hong Kong, China, Thursday, aged 69. The Bishop was making a tour of the world, accompanied by his wife and children. One daughter died at Penang, India, March 1st.

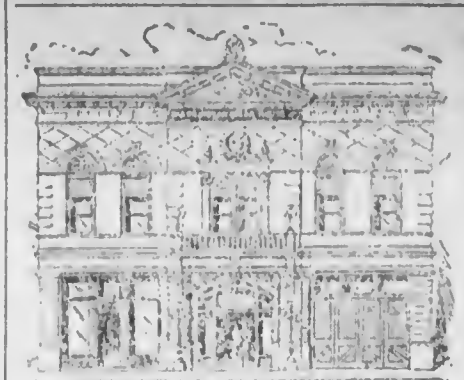

HON. A. T. SILER now has a walkover for re-election as Railroad Commissioner and his nomination by the Mt. Sterling convention will be but a formality of "make it unanimous" and by acclamation. He has made good on the State Commission and twice as a candidate; this, too, despite the charge that he writes "spring poetry" when the dogwood trees bloom on the mountain side.

ARE the city authorities to take no steps towards replanting the trees on the Esplanade? A little thing like this may seem of no moment to the powers that be, but to the public "from Missouri" it is of the first importance. The trees should be planted NOW, and they should be hardy ones, too. The people of Maysville expect and request that this matter be attended to at once, as it will soon be too late to plant trees.

 "Please wrap up my purchases," said the grouchy customer.
 "Why I've done so," replied the cash grocer.
 "Beg pardon, but you haven't," retorted the g. c.
 "What have I left undone up?"
 "That thumb of yours that you weighed up with the butter!" snorted the g. c. "I want it for dog meat. Wrap it up!"

NEW BANK

At Dover—Organization Completed Saturday Night

Mason county will soon have another bank, the ninth within her borders.

The Citizen's Bank of Dover was organized at that place Saturday night, to replace the State Bank of Dover which was removed to Maysville and reorganized under the name of the Farmers and Traders Bank.

The Citizen's Bank will be incorporated with a capital of \$15,000.

Following are the officers of the new institution:

President—Squire Sam A. Frazer.
 Vice President—Frank Collins.
 Cashier—Dr. George E. Neal.
 Directors—S. A. Frazer, Ernest Dietrich, Frank Collins, Mrs. J. A. Osborne, J. Elgin Anderson and others.

The safe and fixtures will be ordered at once and the new bank will open at the old stand on Market street, in the Stairs building.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—be short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

MAYSVILLE, KY., April 6th, 1907.

One of the things that cities of the size of Maysville commends itself to visitors is a well appointed Theater or Opera-house.

Our Opera-house is a "Gem." In fact acknowledged throughout the land as one of the finest and best equipped that can be found in any town of Maysville's population.

Some of its patrons, however, cannot be commended upon in as high terms as our Opera-house.

It is true the management respectfully asks its patrons to remain in their seats until the curtain goes down on the last act.

The majority of the audience doubtless retain their seats, but always a number of the "get away" crowd spoil the pleasure of the quite frequent sales, and thereby show that they don't take the slightest consideration for the people on the stage nor the audience.

If the one or two minutes is so valuable to these disturbers, why would remain away.

Happiness By
 the Carload!

We have lately effected a deal that means a saving of thousands of dollars to this community. We are buying pianos by the carload from a grand old factory in the East whose output is amongst the largest in the world. This arrangement places us out of the class of "piano dealers" and places us into the class of piano jobber. You may not realize just what this means, but if you will call and examine the values we now offer you will appreciate our efforts when you see the great saving.

\$300 PIANO for \$200!

Pianos are no longer a luxury; they are now a necessity; and when we offer you a fine \$300 instrument for \$200 they are within your reach.

ONLY TIME WILL TELL!

What effect upon the morals and intelligence of the community this latest move of ours will have. No one is now too poor to give the child a chance to rise above its surroundings, for if you don't feel able to buy one of the fine pianos above described we have a plainer case at a less price. Look!

\$250 PIANO for \$150!

These pianos are all new uprights of worth and value well-known. Their makers have proven the worth of every instrument we sell by many years of conscientious, efficient service.

THEIR NAMES ARE FAMILIAR!

We do not advertise the names of these pianos, because it would cause much embarrassment to piano dealers of adjacent territory that sell these same pianos at much more money. It would also embarrass us, for we had to sell these same pianos ourselves for much more money when we were piano dealers.

BOUND WITH HOOPS OF STEEL!

Were many of us to our surroundings. Don't tie your child down to the conditions and environments that bound your early life. Give the child a chance to develop and rise superior to external conditions. If you haven't the cash you can pay us \$1.50 per week. Get a piano.

The fight on behalf of the independent tobacco growers of the country will be waged with undiminished vigor in the next session of Congress, according to Representative John Wesley Gingles, of Tennessee, who has been on the firing line ever since the fight was started.

"The bill to remove the tax of 6 cents a pound from leaf tobacco will be reintroduced next session, and the campaign will be pressed from the start, in spite of the efforts of Senator Aldrich and the tobacco trust," said Mr. Gingles.

"I think," he added, "that the Federal Government is about to go after the tobacco trust in the right way. J. C. McReynolds, who has been chosen to look after the prosecution of the trust, succeeding Henry Taft, is the right man in the right place."

DeWOLF HOPPER IN "HAPPYLAND" TUESDAY NIGHT.

One of the season's most pretentious musical amusements is the Messrs. Shubert's production of the latest comic opera work by Reginald DeKoven and Frederic Knaben, "Happyland," in which the famous farceur, DeWolf Hopper, and his big company of well known artists will be seen on tomorrow evening at the Washington Opera house. DeWolf Hopper has for the star role a character quite unique and from all accounts altogether comic. It is that of Ecstasius, King of Elysia, a mythical monarch with a ruler possessed of powers most autocratic, and, according to the

Mr. Jack Mitchell, who has been down five weeks with a severe case of grip is convalescent and able to be out.

SMART THIEF

"Raises" Early Vegetables From M. P. Redmond's Grocery

Friday night about 8:30 a sneak thief made a raid on M. P. Redmond's vegetable stand temptingly arrayed in front of his store in East Third street, and helped himself to a plentiful supply of the good things.

He lifted the articles off the stand and threw them over the iron fence enclosing the yard in front of Miss Gordon's schoolroom.

When discovered he was gathering his booty into a sack, and by his being on the inside of the enclosure it was thought he had trapped himself.

When the officers arrived and investigated it was found that he had prepared for just such emergency by first visiting the rear of the schoolroom and raising a window, both in rear and front, and when danger threatened his way was clear for escape.

AUTOMOBILE BARGAINS!

THE AUTO-MOTOR CAR CO. makes a specialty of handling second hand bargains, as well as selling new high grade cars. It frequently happens that other makes of cars are taken, partly in exchange, for our New Welch, Rainier, Stoddard-Dayton, Jackson and Rambler. We must get rid of them at some price. A car user two or three times no longer commands a regular factory price, although it is a perfect machine. You can pick up a bargain in our Garage any time.

The United States continues to be the Irish Mecca, having received last year 76 per cent. of the total emigration. Since 1851, 1,100,000 persons have emigrated from Ireland, and this number equals 34.4 of the present population.

RIVER NEWS.

Gage marks 13.4 and rising.

The Queen City is expected some more to resume her old trade this week.

The Pittsburgh and Cincinnati Packet steamer Virginia was inspected at Cincinnati a few days ago by United States Inspectors Dameron and Peyton and passed O. K.

Traffic on the Ohio river is heavier than it has been in many months. Each and every packet, large and small, is laden to the guards with freight and passengers. The freight traffic is especially heavy, causing the boats to run several hours behind their scheduled time.

The towboat W. C. Jettie sank in the Allegheny river Thursday last. One man was drowned, four were rescued while struggling in the water, and ten men sought refuge on top of the roof of the cabin and were taken off in skiffs. The man drowned was a Greek fireman. The boat belongs to the People's Coal Company. The steamer, under command of Captain S. Thomas, was proceeding with a tow when a snag was struck about the middle of the river. A hole was stove in the hull and the steamer lurched and then sank slowly.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by E. J. Cheney & Co., Toledo, O., is the only constitutional cure now on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, E. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Spring is Here!

It is the nearest approach to genuine tortoise shell and has an inlaid ornament of solid gold.

Governor Stuart of Pennsylvania, has signed the 2-cent fare bill despite the opposition of President McCrea, of the Pennsylvania system.

At Minneapolis, the Federal Court fined the Northern Pacific Railway Company \$10,000 each on 15 counts for granting rebates—\$150,000 in all.

U. S. Judge Cochran has ordered the sale of a large tract of land in Palaski county, which for the past three years has been the bone of contention in the suit of the Central Trust and Safe Deposit Company of Cincinnati vs. R. S. Crawford and others. The land is to be sold at public sale and must bring at least \$160,000.

Women's Pains

"I was a total wreck," writes Mrs. Beulah Rowley, of Champoe, Oregon, "from pains I had suffered for 4 years, every month. Sometimes I would be unconscious for 12 hours at a stretch. I did not know that anything could stop the pain entirely, but Wine of Cardui did. I advise all women suffering with painful periods to use Cardui and be relieved."

It does this by regulating the functions and toning up all the internal female organs to health. It is a pure, specific, reliable, female remedy, with a record of 70 years of success. It has benefited a million others. Why not you? Try it.

Relief from the pains and aches of a bad back is always welcome to every backache sufferer; but to cure a lame, weak or aching back is what's wanted. Cure it so it will stay cured. It can be done. Here's the strongest evidence to prove it.

C. L. Hubbard, employed in Cabiab's grocery, Cox Building, and living at 325 West Third street, Maysville, Ky., says:

"As I stated in a testimonial given in 1900, Doan's Kidney Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again used Doan's Kidney Pills and found complete relief. Now, after nearly five years I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of its use in my case have been very satisfactory."
